

Welcome to Friendly Community Baptist Church. The people of this church would like to welcome you as an honored guest today. We are excited about this wonderful opportunity to layout the facilities and schedule for all Sunday Morning Events here at Friendly. This small pamphlet will allow you to see what you can get plugged into here. If you have any questions at all please feel free to ask one of our Greeters or Welcome Center Attendants at any time. They are here to assist you in helping you feel at home. If at any time there is something we can do for you please contact us.
